1. Call to Order

The meeting was called to order at 6:00 p.m.

2. Land Acknowledgement

Chairperson Cortes-Vargas stated the land acknowledgement:

As a Council of Indigenous and Non-Indigenous students we acknowledge that we gather on treaty 6 territory, the homeland of the Cree, Saulteaux, Blackfoot, Métis, Dene and Dakota people. We acknowledge the harm that colonial institutions, such as the University of Saskatchewan, has done. We remember that there were centuries of governance and education on this land before the settlers arrived and that these forms of education and governance are continuing today. We honour and reaffirm our relationships with one another and the land that we are on as we work to dismantle the systematic barriers to education that First Nations, Métis, Inuit and other marginalized people face.

3. Roll Call / Quorum

The roll call was completed and the list of attendees is listed on the first page of these minutes; quorum was present.

4. Adoption of an Agenda

Questions were clarified around Councillor absences. Those who send their regrets prior to meetings will see it noted as PG for permission granted on the tracking sheet at the end of the USC Package.

Guest Jay Wilson was unable to attend this evening, and the council address was stricken from the agenda.

Move to adopt the agenda as amended.

8. College/Constituency Report

Western College of Veterinary Medicine

- Councillor Jenkins noted that she wanted to add some perspective regarding masking and hybrid learning from her College, as she wasn't able to attend the previous meeting to share. She noted that in the WCVM fourth years are required to wear masks in their labs but other years they aren't. She added that one issue within the College is that a lot of professors are not recording lectures and students are showing up sick to class.

Nursing

- Pub crawl on November 18th
- Trivia night 6:00 p.m. - 11:00 p.m. on December 2nd
- Raising money for winter formal on January 21st
- Meeting with Dr. Labrecque to discuss advocating for more funding within the College of Nursing from the University. Need more lab time and lab space at the CRLC. Breakpoint that was noted at their meeting was that the Dean for the College of Medicine makes \$538,000 a year but the University can't afford administrators or instructors within the College of Nursing.
- Initiative that organizes practice space for skills started by two students within the College.
- Looking to continue discussions with Dr. Labrecque throughout the term, as well as with Dr. Richter.

Law

- Written report submitted by Councillor Perrault, as he was unable to attend USC:
 - Events:
 - Pub Golf
 - ILSA Halloween Party
 - Ask me anything (AMA) with College Administration
 - ILSA hosting Sweatlodge
 - Ongoing Update on College of Law Exams:
 - On October 26th an email was distributed to the student body regarding exam policy. The email gave virtually no concessions to students and instructed them to prepare for exams as if nothing will change. Students are once again told that faculty will be looking into functions of the proposed exam software. This email addressed the AMA planned for October 27th. The section regarding the email regarding the AMA included sampled questions to ask, most of which were easily answered softball questions such as: how do I register for classes? As a result, many students felt that the email was condescending or was tempting to divert attention from the more controversial issues. Overall, reaction to this email has been overwhelmingly negative. Councillor Perrault will follow up with the USSU Executives regarding potential next steps for the student body. Such steps can be found in the minutes of the October 20th USC meeting. Councillor Perrault will update the USC with further details of the AMA in subsequent meetings. The AMA has angered the student

body even further as recently unknown details about the cost of the program, and contractual difficulties came to light. There's a sense that the Administration's actions reveal an indifference to student's concerns at best, and a disrespectful attitude at worst. Most controversially, students are being asked to shoulder the cost of the exam software. This had not been communicated to the student body and came out during the AMA, responses have been overwhelmingly negative. Additionally, a student called the office manager during the AMA and discovered that the College had not secured a contract with the examsoft. The student body reacted negatively when the Associate Dean was pressed on the issue during the AMA and revealed that there was no contract yet, despite the College representing that the software had already been acquired, as such the student body felt deceived. Meeting escalated when the Associate Dean threatened to walk out.

Councillor Perrault proposed the following question to Council within his report: Are students expected to shoulder the cost of exam software? Is it included in tuition or assessed separately? How has the cost of the program and its implementation been communicated to students?

Councillor Alazawi noted that within Dentistry they use examsoft and don't pay for it. She noted that she had to buy a new laptop because her previous one wasn't compatible with the software. She noted that they really like the program and hadn't heard of any complaints.

Councillor McKeown said that within the College of Engineering they had faced a similar issue. They received national support and ended up not having to pay or use the software. Note that there are also security risks to exam softwares.

Councillor McLean shared that they have different types of software that they use. There hasn't been any charges to student's for the software.

Kinesiology

- No updates.

Engineering

- Capstone week for 4th year engineering students.
- Iron ring ceremony coming up for December grads.
- EngiQueers Canada hosting first national conference
- The Undergraduate Academics Programs Committee removed student rep during COVID. Got the student rep back this year.

- Engineers Canada released their top 10 student leaders of the year - scholarship for Undergraduate Engineers. USask students composed of 20% of the leaders within Canada (out of 54 Universities).

St. Thomas More

- Updated their Executive on SafeWalk. Happy to advertise.
- Suggested during recruitment to have police on campus to do CRC's.
- Fall festival is tomorrow
- Bowling night on November 23rd, thanks to other Colleges for collaboration.
- Working on creating a survey in regarding to Masking/Pandemic Response
- Asked if other Colleges would be interested in creating a collaborative survey for each of their Colleges.
- Councillor Bauman noted that she had asked peers how likely they were to come to class if they were sick and everyone had responded yes, because they didn't want to get behind.
- Noted that a professor in the College attended class while feeling sick and tested positive for COVID.

Education

- Purple party last weekend was successful.
- Halloween party on Monday at Dino's

Dentistry

- Hosted a formal last weekend that was good.
- Planning random events such as trivia night and others.
- College is undergoing renovations within the summer. Half clinic spots will be cut off next year. Student body is not pleased by renos at this time but noted that it will definitely look nice when it is done.
- Noted that some students within the College said that because the College is so strict with attendance already they don't want to further agitate professors in regards to asking them to record lectures.
- Noted that there could be a deeper conversation within the College about their strict attendance policy.

Councillor McLean added that there are various mask policies within Nursing. She said that a lot of students are coming to sick work because they don't want to miss class. If they miss more than 10% of their practicum they automatically fail.

Arts and Science

- Haven't had many events yet this year
- Lack of membership, most meeting under 20 people. Which is very different from the previous year.
- Issues with a low budget. Hoping to get funding from College of Arts and Science
- Meeting moved to Arts 200.
- The Department of Anthropology and Archaeology is now just the Department of Anthropology.

Agriculture and Bioresources

- Movember Shave Down on November 1st. \$20 nomination, \$20 removal.
- Fitness endorsement with the USSU Trick or Eat.
- AgBio Google calendar within the College that faculty, and industry can add to it.
- Blood drive coming up in November.

9. Business

9.1. Support Letter - Academic Accommodations

What things are going to be requested in terms of hybrid learning and student accommodations when students or faculty are sick?

President Goswami noted that he asked Councillors to provide emails regarding what each College would like to see included in the advocacy letter in terms of accommodations for students. Councillor Bauman asked if councillors could be given a few weeks to communicate with their constituents to gain a better sense of what the College is feeling.

Chairperson Cortes-Vargas shared some examples of items that had been discussed that could be included in an advocacy letter.

President Goswami asked for Councillors to send some of the things they have heard within their Colleges as a starting point for the draft, and then more details can be refined at a later date.

Councillor Bauman asked for two timelines - a deadline for general information and another deadline for more concrete data.

Chairperson Cortes-Vargas asked if high level comments by next Thursday would be reasonable.

President Goswami clarified examples of general high level comments.

What are generally students' actions in terms of coming to school when they are sick? And are professors denying accommodations because they don't have the ability to, because of technology, or because they don't want to?

What are the recommendations that you have regarding lectures? Portal for note sharing?

VP Jacob noted complications in regards to note sharing and academic policies. She added that the topic will be further discussed within the Academic Relations Committee meeting.

Councillor McKeown asked how AES gets around policies in regards to note sharing if it is forbidden within a class. Chairperson Cortes Vargas responded by saying that the Human Rights Code and statutes regarding accommodations and accessibility would supersede the policy and that the role of AES is to organize the accommodations with USask students.

10. New Business

10.1. Provost Budget Recommendations

President Goswami shared that each year during the end of November, all College Deans submit a budget to the Provost and that is how funds are allocated to Colleges. Last year tuition consultation and budget allocation processes were designed at the University. Shared that a large portion of University funding is received from the Provincial Government. The USSU would like to learn about what each College's needs are in order to advocate for 3-4 changes for the upcoming year.

President Goswami highlighted some of the impacts that have been implemented over the past year that were advocated for by last year's USSU team. Such as menstrual products across campus. He added that for this upcoming year the Executives were thinking of the following advocacy areas for the budget: continuous budget allocation for accessibility, safety on campus - adding more outdoor lighting, more support for protective services, more space for collaboration, more resources for wellness, academic integrity modules, and student employee wages.

He encouraged students to fill out the Provost's Office Tuition Consultation Survey.

College of Nursing noted that one of their focuses is on affordability for rural placements and possible housing opportunities.

Councillor Salsbury shared that the College of Arts and Science Lounge is small and they see this as an area of advocacy within the College.

Councillor McKeown shared that lighting beside Engineering is extremely important for safety, building is disgusting. Numerous mice and lots of mouse poop around the College. Lack of Teaching Assistants within the College.

Councillor Salsbury added lack of Teaching Assistants and not getting assignments back until extremely late in the term were also concerns within the College of Arts and Science. More prayer spaces on campus.

Health Sciences need more lab space, more tech. Further information shared regarding lack of instructors and getting assignments back within the College of Nursing.

Discussion around the menstrual product initiative ensued.

11. Questions, Comments, and Announcements

President Goswami announced that the AGM is taking place on November 24th in Arts 146 and that any Bylaw amendment proposals are due by November 4th. Councillors are asked to attend and bring 2 student peers. Pizza and Pop will be served.

If MSC's want pictures on the USSU website they are asked to reach out to Jaymie at graphics@ussu.ca.

Councillor Jenkins asked how long the AGM's usually take. Jason Ventnor noted that it depends on how many amendments are received, how long auditors take, etc. Jason said the AGM usually takes between 1-2 hours.

12. Adjournment

The meeting was adjourned at 7:18 p.m.

University of Saskatchewan Students' Union's Report to Senate October 2022

This University of Saskatchewan Students' Union executive team developed annual priorities that align with the changes in education, the needs of our students, and, most importantly, our future. Through consultation and guidance, we identified key priorities that can help our students.

- **Engagement**
- **Innovation**
- **Wellbeing**

This report aims to inform the campus community about the progress made by USSU during spring & summer and early fall. You can check our website or reach out to our executives - they're always happy to speak with students and the community.

As the University opened in the fall, USSU executives focused on doing a student community outreach campaign to enhance the experience of incoming, returning, and new students on campus. Acknowledging the spike in enrolment at USask, the USSU executives also strengthen their resources for the students.

Events

As the University opened broadly in the fall and welcomed new students coming to our campus for the first time. Including our first-year, second year and third years students, USSU executives had to come up with creative ways to engage with our students. The USSU organized many events throughout the campus to enhance the campus experience for students and increase student engagement.

We attended various college-wide orientations, including the Indigenous Students' Achievement Program (ISAP), USask Library Jumpstart, Arts and Science Orientation, College of Education Orientation, Campus Expo, and many other events.

Outcomes

Bike to Work Day: In May, the Office of Sustainability, the City of Saskatoon, and USSU collaborated on Bike to Work Day. Bike to work day was organized on May 19, 2022, to promote emission-free transportation and encourage the community to use bikes to work during summer. The initiative was a great success taking the rainy and windy weather into account. 143 participants stopped by the booth to support the initiative and get #YXEbike stickers, snacks, and resource guides.

USSU Welcome Week: The USSU organized Welcome Week for four days this year at the Saskatoon campus to kick off the year on campus with the support of our community partners. Executives shared various resources with the campus community during these four days, including our campus groups resources, academic and non-academic resources, volunteer and student-at-large applications, and various giveaways, including survival calendars, lanyards, highlighters, tote bags, and more. We also hosted our Car-less Movie Drive “the Princes Bridge in the bowl with an attendance of 180+ students.

We visited the Prince Albert Campus and LA Ronge Northlands College in mid-September to meet students and do an in-person orientation. We met many students and shared resources like menstrual hygiene products, campus group resources, academic and non-academic resources, and giveaways

USSU Summer Games: USSU organized its first-ever summer games on May 30 and May 31. Keeping the games inclusive, accessible, and diverse, we organized spike ball, Soccer, Tug of war, Capture the flag, cricket, and various board games. Combining both days there were more than 150 active participants from students in multiple games. President Goswami extended the game invite to staff, faculty and students for more engagement on campus.

Campus Group Week: We held CGW from September 12th to 16th. USSU ratified Campus Groups tabled in the arts and science tunnel to showcase the diverse range of options available for students to engage with. There was also a campus group networking social in Louis' Loft, where we provided engagement and inter-group collaboration opportunities for our campus groups.

Academic Awareness Week: We held our AAW from September 19 to 23rd. AAW is organized annually to raise awareness about their rights and responsibilities and help them learn about various academic resources available on campus. During the week, we provide students with an academic handbook highlighting the roles and responsibilities of different academic appeal committees. We also conducted our first-ever Deans fair, where students and the associate dean, dean, and academic advisors had the opportunity to engage with one another and ask questions about the academics.

Sexual Violence Awareness Week: We held our SVA week from September 26th to September 29th. During the week the Women's Centre organized various events around sexual violence prevention. What is Sexual violence? With Morgan Price from Saskatoon Sexual Assault and Information Centre, Bystander training with Nicole White, Flight, Flight or Free: HowtoUnlock the Stress Cycle, Self Defence Class, and Movie night.

Accessibility Week: During the week of October 3rd to October 7th we held our Accessibility Week. We shared online resources regarding accessibility - Access and Equity Services, USSU Help Centre, USSU Women's Centre, USSU Pride Centre, and other support and services across campus. We also welcomed therapy dogs in the Place Riel Student Centre.

De-Stress Scavenger Hunt: Students are stressed throughout the year and the USSU will be offering destressing initiatives for students to help take a break from their hectic workload and relax. The USSU organized a scavenger hunt as an initiative for the De-Stress Events that will occur throughout our year.

National Day for Truth and Reconciliation: "Remembering and honouring residential school survivors and their families." USSU supports the USask's ohpahotân | oohpaahotaan let's fly up together Indigenous Strategy and always looks forward to the collaboration. During the week of Truth and Reconciliation, the USSU collaborated with the office of the Vice-Provost of Indigenous Engagement to screen Home from School: The Children of Carlisle (2021).

The USSU welcomes our new tenant, "**RBC on campus**," to lower Place Riel in November.

Advocacy

The University of Saskatchewan Students' Union mission to represent, serve and support the academic and non-academic needs of undergraduate students of the University of Saskatchewan through accountable, dynamic, and unified leadership. The USSU executives achieve this mission by doing continuous collaboration, conversations, and advocacy with different level of governance, student body and University Administration.

University Students Council (USC) & Association of Presidency of Constituency (AOCP)

USC and AOCP members are the bridge between USSU and the student community, and collaboratively, they advocate for student support and services.

President Goswami welcomed USSU Knowledge Keeper Joseph Naytowhow and Elder Sharon O'Keewehow to University Students' Council during the first USC meeting of the year. They shared their knowledge and their stories with us. Joseph also helped the USC to understand the meaning of a land acknowledgment and its significance. With this guidance, the USSU wrote its land acknowledgment to reflect the truth and history of the land we are located.

Undergraduates of Canadian Research-Intensive Universities (UCRU)

USSU is an active member of the Undergraduates of Canadian Research-Intensive Universities (UCRU). President Abhineet Goswami and VP Operation and Finance Lia Storey-Gamble are the members representing the USSU in UCRU. UCRU is an informal coalition of student associations whose mandate is to advocate the Canadian Federal Government for an affordable, inclusive and high-calibre undergraduate university education with opportunities for increased access to undergraduate research. We collectively represent over 225,000 university students across Canada.

This year UCRU is putting forward four priorities to develop a federal lobbying campaign that will be conducted between November 24 to December 2 in Ottawa. All UCRU members are looking forward to meeting with Members of Parliament to support UCRU's advocacy goals.

The USSU and other U-15 Universities will be in Ottawa from November 25 to December 2 as part of our lobbying efforts.

Priorities:

1. **Financial Aid,**
2. **Mental Health,**
3. **Indigenous Student Education,**
4. **and Employment**

Provincial Advocacy

President Goswami is working to bring forward the student leaders of other student unions and associations across Saskatchewan to create a unified lobbying campaign. So far, he has met the President of First Nations University (Saskatoon and Regina Campus), University of Regina, and Saskatchewan Polytechnic (Saskatoon, Moose Jaw, Prince Albert, and Regina). This year student leaders are collaborating to advocate for student support and wellness across the province with the federal government.

USSU executives have met with:

- Minister Wyant, Minister of Advance Education,
- Carla Beck, leader of the opposition,
- Aleana Young, Immigration and Career Training, Innovation Saskatchewan Critic,
- Vicki Mowat Health Critic,
- Jennifer Bowes Advance Education Critic.

Through our meeting, we discussed the current challenges our students are facing on campus. We also discussed how the government can support students in mental health, better job opportunities and better wages in the province.

This year we are putting forward advocacy policies to help students and support our province's growth plan.

Priorities:

1. **Career Development**
2. **Financial Support**
3. **Student Wellness**

These three advocacy points are interconnected and ultimately support our student's future and our province's future.

USSU is looking forward to the lobbying effort in November with other student unions and associations across the province and beyond.

City of Saskatoon

USSU executives also meet with Mayor Charlie Clark. During the meeting, we discussed the Student and the City of Saskatoon Connection Committee and how the city and students can collaborate on employment opportunities, mental health support and engagement. The USSU and the Mayor's office are also looking to collaborate on events.

USSU is looking forward to continuous collaboration through [the Student and the City of Saskatoon Connection Committee.](#)

Support & Services

The USSU devotes significant resources each year to ensure that undergraduate students have the best possible experience on campus. We offer a wide range of services, programs, and funding, host events, provide student leadership development opportunities, and support student initiatives. For the full list of everything we do for students, visit our website.

Campus Groups

Campus Groups (CG) are an integral part of the services that USSU provides. We support our student-led activities on campus through our USSUHub portal. CG who ratifies with the USSU has free access to space, funding, and various other kinds of assistance throughout the year. Whether you are interested in sports, politics, improv, or painting, there is a CG for everyone!

Health & Dental Care Plan

USSU in partnership with Studentcare operates extended health and dental coverage that fills the gaps in provincial health care and other basic healthcare programs. Through negotiation, USSU executives were able to extend the plan support. The new plan covers:

Health \$1000

Prescription drugs
Vaccinations
Psychologists
Physiotherapists
Chiropractors
and more...

Dental Upto \$600

Checkups
Cleanings
Fillings
Root canals
and more...

Vision Upto \$350

Eye exam
Eyeglasses
and contact lenses
Laser eye surgery

Travel Upto 5,000,000

Travel care abroad (120 days per trip, upto \$5,000,000 per lifetime)
NEW: Increased Trip cancellation and trip interruption coverage in the event of a medical emergency
NEW: COVID-19 coverage

U-PASS

Through building relationships with the city and continuous negotiations, USSU and the City of Saskatoon Transit Services have developed a contract that not only supports students' needs but also creates a sustainable travel option for our students. Through U-PASS, USSU is supporting sustainability goals.

U-PASS costs one-fourth of the regular transit pass.

USSU Centres

FOOD Centre

- uFood is a customizable emergency food hamper created by the USSU with the goal of meeting the unique dietary needs of students at the UofS. Our pantry is stocked with food options and baby items that students can choose from to create an emergency hamper that suits their needs. Students can access uFood four times per term.
- Emergency Food Hampers are available to both undergraduate and graduate students. Each student is eligible to access the Food Bank either through the USSU or at the downtown depot twice every month.
- Fresh Food Market - The USSU Food Centre offers a fresh food market in Place Riel, as a convenient option for students looking to grab healthy snacks or groceries. This program provides fresh fruit and vegetable options at extremely low prices in order to accommodate students' health needs.

Pride Centre

- The Pride Centre seeks to work with people of all sexual orientations and gender identities in an open and progressive environment that advocates, celebrates and affirms sexual and gender diversity.
 - Positive Space workshops are a beginner's overview of gender and sexual diversity. The workshop looks at different ways to create positive spaces for lesbian, gay, bisexual, transgender, two-spirit, queer, and questioning people.
 - Peer support, queer programming
 - The USSU Pride Centre Library has an extensive collection of books and magazines focused on sexual orientation and gender identity content.
 - Support and guidance for queer housing, Gender Coup d'etat-Discussing diversity and dismantling toxicity within the Queer community both locally and internationally.
- Pride Night - Thursdays 5:00 p.m. All Genders Welcome!

Help Centre

- USSU Help Centre Peer Support program offers support and referrals regarding sexual health, queer issues, academic issues, suicide, pregnancy and other student concerns.
- Eating Disorder Support Group
- The USSU Help Centre Exam File has over 1000 exams from a wide variety of courses. The Exam File requires student participation to remain up to date
- Mental Health Support Group- If you are struggling with your mental health and think you need support, come to the Mental Health Support Group.
- A.S.I.S.T. (Applied Suicide Intervention Skills Training).
- Resources - Academic resources, Adulting 101(Drivers License, Health card, tax), Mental health resources, drug and alcohol, harassment, Nutrition, Healthy relationships, Harm reduction, Indigenous resources, International students, mental health, parenting, physical health, practising wellness, pregnancy, self-love, sexual health, student wellness resources, other workbooks.

Safewalk

You can receive a Safewalk at ANYTIME. Safewalk volunteers walk people safely to their destination on or near campus from Sunday to Thursday, 8:30 pm to 11:30 pm. Outside of these hours.

Women Centre

- The USSU Women's Centre takes a vibrant and proactive approach to educating and informing the campus community about issues affecting women. We strive to provide a safe and positive environment to promote equality while recognizing and celebrating differences within our diverse and dynamic community.
- Community Outreach Program: The USSU Women's Centre is pleased to offer this new program in partnership with a variety of local community organizations.
- Sexual Assault Awareness Week, Take Back the Night, The National Day of Remembrance and Action on Violence Against Women, I Need Feminism and International Women's Day.
- Library, peer support, discussion groups, informations and resouces
- Parent Emergency Contact Program: This program has received national recognition and is one of the integral services offered by the Women's Centre. PECP allows the childcare provider to contact parents while on campus or in class.
- Referrals and other resources

The University of Saskatchewan Students' Union strives to be the recognized leader in enhancing the student experience.

USSU executives are always ready to learn from our community members that can help us grow and support our students. Please feel to reach out to us to give feedback.

Sincere regards, from the USSU team. Kindly reach out to Abhineet Goswami at **president@ussu.ca** or (306) 966-6965 for any questions or suggestions.
