

Policy Name:	Campus Groups Grants Policy		
Category:	Campus Groups	Policy #	CG-4

Preamble

The USSU understands the importance of a thriving, vibrant campus group community. Campus Group Grants are available to student groups to support their work and contributions to the student experience. While USSU funding can help a great deal, it is not intended to completely subsidize all costs incurred by a group. Groups are encouraged to become financially sustainable through a collection of modest membership fees, event revenue, and external grants and sponsorship.

1. Eligibility

1.1. All USSU Ratified Campus Groups in good standing with no outstanding debts to the USSU are eligible to apply for funding. Suppose a funding request is submitted prior to the end of the Academic Year for an event to be held within the first twenty-one (21) days of the next Academic Year (May 1- May 21). In that case, Campus Groups are eligible to receive funding based on their previous year's ratification status.

1.2. The USSU does not disburse funds for:

- direct donation to a charity (either for the organization or for other causes);
- the cost of alcohol served at any event;
- the general operating and administrative costs of the organization;
- travel expenses.

1.3. Preference is given to applications that show environmental, social, and financial responsibility. The funds must not be for the direct personal benefit of a few individuals. Still, they must be used towards serving the membership of the organization and the student community that the group serves.

2. Grant Options

2.1. There are many grants to satisfy the needs of campus groups and encourage programming and critical areas of importance.

3. Project and Initiatives Grant

3.1. Purpose

The Project and Initiative Grant is available to campus groups undertaking special programming that helps them achieve their mission, complements USSU's values, and enhances the student experience.

3.2. Amount Available

Student groups are entitled to a **maximum combined total of \$1,000** per academic year. This sponsorship may be used in the following way:

- **Business Credit (up to \$500 per year)** - Groups may apply for credit at XL Print and Design, Louis' and Louis' Loft. This credit will not cover alcohol costs.
- **Cash Sponsorship (up to \$500 per year)**—Groups may apply for reimbursement of cash expenses. Purchases requiring reimbursement must be made after the VP of Operations and Finance issues a notice of approval. These expenses will be reimbursed to the group following delivery and review of all related receipts, invoices, and proof of payment.

Note: The sponsorships described above can be used independently or combined. Your group is entitled to \$1,000 in total support through the Project and Initiatives Grant. \$500 business credit and/or \$500 cash, to a total of \$1000.

4. Equity, Diversion and Inclusion (EDI) Grants

4.1. The USSU supports and encourages the work of student groups in critical areas of importance. These grants are available in addition to the \$1,000 available through the Project and Initiatives Grant. These grants are available to groups with events/projects promoting specific EDI initiatives. The premise of these events must surround promoting these causes, and there must be an active role in advocating for these specific communities.

- Gender and sexually diverse students (maximum \$500 per group per year)
- International students (maximum \$500 per group per year)
- Indigenous students (maximum \$500 per group per year)
- Students with disabilities (maximum \$500 per group per year)

4.2. EDI grants are competitive and will be allocated equitably at the discretion of the Campus Groups Committee. EDI grant applications will close every academic year in January (there is an annual cap). The VP of Operations and Finance has the right to change the deadline.

5. Sustainability Grants

5.1. Student groups are encouraged to maintain environmentally sustainable operations. To support this, groups are welcome to apply to the USSU Sustainability Fund. Applications for this grant are coordinated by the Vice President of Student Affairs and are governed by the USSU Sustainability Policy.

6. Application Requirement

6.1. In addition to the other application requirements, funding applications in excess of \$500 must include a presentation to the Campus Groups Committee unless otherwise indicated by the committee.

Note: Non-insured events will not receive funding until insurance requirements are approved.

7. Application Review

7.1. The VP Operations and Finance and the Campus Groups Committee will use the funding application assessment criteria to decide whether to approve or deny funding. The committee will not consider incomplete applications regarding the checklist form. Notice of rejection must be submitted to the campus group within four business days.

7.2. The VP of Operations and Finance may disqualify any applications that breach USSU or University of Saskatchewan policies. Disqualifications must be reported to the Campus Groups Committee.

7.3. The VP of Operations and Finance has the authority to approve up to \$100 in funding. These decisions must be reported to the Campus Groups Committee at the next meeting. A $\frac{2}{3}$ majority vote of the committee, excluding the VP of Operations and Finance, can override them.

7.4. The VP Operations and Finance and Campus Groups Committee of USC have complete discretion to allocate the amount of funding they deem appropriate for each application based on the prescribed criteria while not exceeding funding maximums (i.e., the amount of sponsorship a group receives may be greater or less than the application amount).

7.5. All funding decisions must be reported to the University Students' Council through meeting minutes.

8. Terms and Conditions of Sponsorship

8.1. Obligations of the Student Group

- Funding must be used for the project or initiative indicated on the 'Approved Cost Form' and must be appropriate to the expenses proposed in the funding application. Failure to comply with the intended use of sponsorship justifies action under Section 4.2 - Infractions.
- The student group must agree to credit the USSU as a sponsor in all advertising and sponsorship acknowledgments. The following materials will be made available to help show the USSU's support.
 - 11"x17" Posters
 - Vinyl Banner and stand (must be returned after the event)
 - USSU branding package (logo files and other collateral)
 - USSU recognition will be included automatically on materials printed using XL Credit.
- The group agrees to prepare a funding report using the template provided.
- The group agrees to submit all relevant receipts, invoices, and proof of payment in a timely manner. Failure to submit adequate documentation will result in forfeiture of funding.
- The USSU logo should be included in all promotional materials

Note: Not following the obligations may result in no reimbursement for the proposed event or additional actions.

8.2. Obligations of the USSU

- The USSU agrees to provide products and services through its businesses and operations as per the sponsorship agreement.
- The USSU agrees to review all reported expenses and provide reimbursement for all eligible expenses.

9. Retroactive Funding

9.1. Groups are encouraged to apply for funding as far in advance as possible. If a group is unable to follow the application procedure, it can ask for reimbursement of expenses after its project or initiative is completed. The Campus Groups Committee will review these requests on a case-by-case basis. Should the committee approve funding, reimbursement must not exceed 50% of the applied expenses. This deduction encourages groups to follow the funding application procedure.

10. Appeal for Rejected Grants

- 10.1. Decisions made by the Campus Groups Committee and the VP Operations and Finance may be appealed by the campus group by submitting a formal Notice of Appeal to the VP Operations and Finance.
- 10.2. The Notice of Appeal will be submitted to the USSU Executive Committee by the VP Operations and Finance.
- 10.3. The Executive Committee will review the funding application and will make the final decision.
- 10.4. Final decisions of appeal will be submitted within USC meeting minutes.
