Values 3. The following principles shall guide the Union in all of its endeavours: innovation, integrity, mutual respect, professionalism, service, teamwork, and trust, as well as social, economic, and environmental responsibility.	**Values** 3. (1) The following principles shall guide the Union in all of its endeavours: innovation, integrity, mutual respect, professionalism, service, teamwork, and trust, as well as social, economic, and environmental responsibility. **(2) In keeping with these values, the Union adopts the International Holocaust Remembrance Alliance (IHRA) working definition of antisemitism, as adopted by the Government of Canada and the Government of Saskatchewan, and shall use it to identify and address antisemitism in all Union activities, including the oversight of campus groups. The Union commits to ensuring that Jewish students at the University of Saskatchewan can learn and take part in campus life safely and free from antisemitic harassment.**
